

## 305S

Mitresaw with upper table

Article Code  
305S 8438022

### Cutting capacity

	0° mm	170x78 mm
	45° sx - dx mm	116x78 mm
	inclinato 45° mm	170x62 mm
	composto 45°+45° mm	95x62 mm

Max cut (mm)	170x78
Motor power (watt)	1400
Weight (Kg)	29
Packaging (mm)	640X640X510
Blade diameter (mm)	305
Motor	Induction
Upper cut height (mm)	66
RPM	3000

### Technical features

- Very sturdy and robust structure: great reliability and cutting precision
- Movement of the turning table entirely on bearings
- Head return system protected with anti-fall spring
- Sheet metal frontal blade protection
- Silent 1400W induction motor
- Cutting angle adjustable from 0° to 45° right and left

### Standard equipment

- Blade with Widia inserts
- Adjustable bar stop-rod for mass-produced cuts
- Key set
- Supplementary protection and wood pusher
