KAPINIZDAYIZ, YILLARDIR... AT YOUR DOOR, FOR YEARS...

Kapınızdayız, yıllardır...

35 yılı aşkın süredir Türkiye’de ve dünyada kapıların mutluluklara, kavuşmalara, evlerdeki sıcaklığa açılmasını sağlıyoruz. Yıllardır, binlerce yuvanın bir parçası oluyor, detaylara verdiğimiz önemle yaşam alanlarına kalite ve estetik katıyoruz.

16.000 m²’lik fabrikamızda aylık 100.000 takım kapı kolu ve 30.000 adet kapı menteşesi üretim kapasitesine sahibiz. Kapı kollarından pencere kollarına, menteşelerden banyo aksesuarlarına kadar yüzlerce farklı ürünü piriç, zamak ve alüminyum malzemelerden üretiyoruz.

At your door, for years...

For more than 35 years, we are the reason for doors in Turkey and all around the world to open up to happiness, reunions, and warmth in houses. For years, we have been part of homes, adding quality and aesthetics to living spaces with the importance we give to details.

In our factory with 16.000 m², we have the capacity to produce 100 thousand sets door handles and 30 thousand door hinges a month. From door handles to window handles, door hinges to bathroom accessories, we manufacture thousands of products out of zinc, brass and aluminum.

Kalite, estetik tasarım...

Türkiye'de yaklaşık 400 satış noktasına sahibiz ve ürünlerimizi 4 farklı kıtada 50'den fazla ülkeye ihraç ediyoruz.

Kaliteli, estetik ve sağlam tasarımlarımız ile sektörde trendlere yön verip var olan tasarımlarımıza yenilerini eklemek için dünya trendlerini yakından takip ediyor ve alanında uzman birçok tasarımcıyla birlikte çalışıyoruz.

Quality, esthetics, design...

In Turkey, we have more than 400 sales points, and we export our products to more than 50 countries in 4 different continents.

While setting trends in the sector with our high quality, aesthetic and sturdy products, we follow the world trends very closely, and work with leading designers to add new ones to our existing designs.

Fark yaratan dokunuşlar...

En iyi ürünü ve hizmeti sunma misyonumuzla satış sonrası meydana gelebilecek sorunlarda da tüketicimizin yanında olarak müşteri memnuniyetini en üst seviyede tutmak için çalışıyoruz.

Doğanlar olarak ürünlerimizde ayrıntılara önem vererek; estetiği, kaliteyi ve fonksiyonelliği birleştirip yaşam alanlarına fark yaratan dokunuşlar yapmaya devam ediyoruz.

Inspiring touches...

With our mission to provide you with the best products and service, we are working to maximize the customer satisfaction by assisting our consumers with any problems occurring after sales.

As Doganlar, we continue to have unique touches on living spaces by giving importance to details in our products, and combining quality, functionality, and aesthetics.
